LOCATION

The property occupies an excellent position fronting onto the A38 approximately 4km north east of Bristol Airport and 6km south west of Bristol city centre. This position allows for fantastic roadside visibility with a high volume of passing traffic daily.

DESCRIPTION

The subject property comprises a ground floor retail / showroom / workshop space, with a WC facility, ancillary / storage space and the added benefit of electric tailgate loading access. To the first floor there is office accommodation which benefits from access from an internal staircase as well as a separate external staircase. A kitchen and further WC facilities can also be found at first floor level.

Externally there is good parking immediately to the front of the property. Also available is a separate building situated to the side of the main building, which can be used for further showroom or retailing space, office accommodation, or simply for storage purposes. There is also a large covered area to the front of this building with a roller shutter door, which could be suitable for display or workshop space.

PLANNING
