LOCATION

The property is located on Sydenham Lane with access just off the A38 Cheltenham Road, which is a arterial road into Bristol city centre. Sydenham Lane consists of predominately residential housing and garages and benefits from being adjacent to Stokes Croft, which comprises a wide range of businesses in the local area including cafes, bars, shops and offices. The network connections are excellent with the M32 approximately 1.5 miles, with good connections to the M4 and M5 thereafter and only a 10 min walk to Montpelier or Redland train stations.

DESCRIPTION

The property comprises a small motor vehicle workshop together with a separate double width garage to the side, both fronting onto Sydenham Lane. The garage / workshop is a two storey building over ground and first floors, the first floor being accessed via a ladder leading through a 'trap door' onto the mezzanine. The building is of solid brick construction under a pitched roof with steel corrugated roof sheets. Internally the property benefits from W.C facilities, fluorescent tube lighting and a solid concrete floor.
