LOCATION

The property is within the Parish of Pill and Easton-in-Gordano. The property is in a sought-after village on the outskirts of Bristol, enjoying a semi-rural environment with excellent access to the A369, M5 motorway and Bristol city centre. The village offers a good range of local amenities, reputable schools and leisure facilities, while the surrounding countryside and Avon Gorge provide attractive walking routes and outdoor pursuits. In terms of public transport, The MetroWest Phase 1 project is planning to reopen the Portishead rail line to passenger train services and to enhance local passenger train services on the Severn Beach and Bath to Bristol lines.

This includes reopening the station in Pill with enabling works having already commenced. The railway line is due to be operational to passengers in 2028 and the reopened Pill railway station will be less than 500m from the property.

DESCRIPTION

The site comprises a detached 6 bed family dwelling requiring renovation, together with a range of traditional outbuildings and associated land. Two additional smaller outbuildings are currently used for storage. To the rear of the site is a parcel of land extending to approximately 0.95 acres, historically forming part of the garden to 25 Lodway.

The total site area is approximately 1.15 acres. The topography is generally level.
